

Sample Request...

Dearest Jade,

I would like you to try to add more anal play to our sexual relationship. In an attempt to help make you more comfortable with butt play, I request that you attempt to partake in 20 minutes of anal stimulation per month. How you do this is completely up to you. I suggest using a butt plug while masturbating, or wearing one in the shower for 5 minutes once a week. My hope is that you will gain an appreciation and desire for more anal stimulation and eventually wish to share this desire with me from time to time.

I love you very much and hope that you will do your very best to fulfill this request for me. If you have any requests for me, please don't hesitate to ask.

Your devoted husband, Kidder
